

English

Once Upon a Fairytale

We will be looking at some traditional Fairy tales including Goldilocks, Cinderella and Dick Whittington and will also use a text called 'A Walk in London'. This will include writing for a variety of genres; narrative, poetry, non fiction.

Activities will focus on development of sentences using openers, conjunctions, adjectives and adverbs.

In Phonics we will complete Phase 5 and move onto spelling patterns in Phase 6.

School Value

Responsibility

We will take responsibility for our actions.

Maths

In Maths we will practise mental calculation daily to ensure we are secure in our number knowledge. We will also start a weekly times table test. Our Maths topics will be Multiplication and Division, Shape, Statistics and Fractions this term.

In daily lessons we will use practical resources to help us learn before recording our work and solving problems.

Great Chart Primary School

Art/DT

Design a chair for Baby Bear

We will look at the strength of a range of materials and link the story of Goldilocks with designing and making a chair for baby bear. This will involve planning, working with materials and tools and evaluating the finished product.

In Art we will practise our drawing skills . focussing on portraits.

Geography

This Term we will study London. We will do some virtual tours and look at human and physical features. We will plan a visit to London looking at transport and places to visit.

Music

On this island: British sounds and songs

Year 2 Term 3 Curriculum

RE

Islam
We will be looking at the role prayer plays in the lives of Muslims.

PHSE

In Circle Time we will discuss responsibility and what that means in everyday life.

Science

In Science our topic will be Materials. We will explore the properties of a range of common materials and develop our scientific skills through investigations and experiments

PE

Outdoor PE -
Dodgeball - moving in space in an area, holding and controlling a ball, throwing for accuracy.
Indoor -Health Related Exercise
Circuits of exercises to raise your heart rate and develop stamina.
Gymnastics - Sequencing movements.

ICT

In computing this term we will continue to use Google and log in to the chrome books. We will also be looking at video creations and the use of green screen.
