Shape poetry
Non-chronological report
Story writing

School Value Responsibility

We will try our best and
rise to the challenge.

Maths

In Maths we will practise mental calculation daily to ensure we are secure in our number knowledge. We will also continue weekly times tables tests.
This term we will be learning about mass and capacity. The children will compare and measure mass and capacity, add, subtract and order units of measurement.
We will be ending our school year looking at properties of 2D and 3D shapes. The children will look at angles, horizontal and vertical lines, and parallel and perpendicular lines.

Great Chart Primary School

History and Geography

How the Romans came to Britain.
Where they came from.
Who they fought - Boudicca and the Celts.
The eruption of Mount Vesuvius and what happened to Pompeii.

Art

For Art this term the children we design and create Roman Tapestries. They will practise their weaving and sewing skills.

DT

The children will be designing a new special purse for the Emperor to hold his golden coins.

Year 3 Term 6 Curriculum

RE

Hinduism
We will discuss the question "Would visiting the River Ganges feel special to a non-Hindu?"

PHSE/RHE

Each week, in Circle Time we will discuss the question "What strategies help me deal with change?"

Science

Plants

To identify and describe parts of a plant. Exploring the requirements of plants for life and growth and how they vary from plant to plant. Investigating the way water is transported in the plants.

PE

Indoor PE
Country Dancing

Outdoor PE
Hockey - the children will learn ball and stick control, working as a team and following rules.
Rapid Fire Cricket

Computing

The focus for this term will be photography and animation.
The children will continue to practise their typing skills using the chromebooks and using different Google programs.

Music

Ukuleles

The children will learn how to play a ukulele.
