

Learning at Home Maths

- ★ 3D shapes are everywhere! Have a hunt around your home to find as many 3D shapes as you can.
- ★ Create a tally chart that you could use to record your findings as you hunt for 3D shapes.
Keep a tally of how many you find of each shape.
- ★ What was the most common 3D shape in your home?
- ★ Tell an adult 5 things you've found out about 3D shapes in your home.
