

## English

Throughout this term, we will be exploring different genres of writing through studying Romeo and Juliet and the Amazon. The children will be encouraged to develop their use of imagery in their writing and applying the grammar skills from their Literacy skills lessons within their written work. They will be writing:

- Poetry based on the setting of Romeo and Juliet
- A discussion piece on conflict
- A persuasive argument
- A short story based on the Amazon
- Information writing based on Amazonian animals

## School Values

### Responsibility and Resilience

## Maths

Our main foci in maths will be applying the skills of place value and the four operations to other areas of Mathematics including measures, area and perimeter, shape, fractions and algebra. Many of this will involve solving problems and multi-step word problems.

## ICT

ICT will be focussed on designing and coding their own game using Scratch.

## Topic

The children will be researching for a project on South America and the Mayans

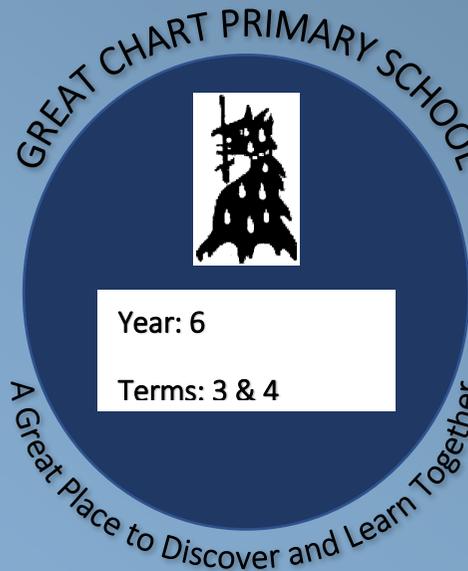

- Physical and human characteristics
- Major Cities
- Culture

## Home Learning

Home

Learning activities will include:

- Guided Reading – pre-reading parts of a novel
- MyMaths and Prodigy
- English skills
- Weekly spellings

Year: 6

Terms: 3 & 4

## PSHE /SMSC

The children will explore 'Responsibility' and 'Resilience' in today's society.

## Science

The children will be learning about Electricity. This includes looking at circuits and how voltage affects the brightness of a bulb. Looking at the function of different components and drawing electrical circuits using symbols.

## P.E

The children will be participating in weekly football lessons with EASE coaches.

Children will also work on building stamina during skipping and fitness lessons.

## Art and D/T

Inspired by animals, children will be creating land art for entry into the Turner contemporary competition.

## R.E

We will be considering aspect of Islam and Christianity
