

Foundation Home learning sheet
Autumn term 1
Week 19.10.20

Communication, Language and Literacy		Problem Solving, Reasoning and Numeracy		Development in Letters and Sounds Phonics			
<p>We enjoyed reading the 'Paper bag Princess'. The children have started writing simple sentences using 'I am' and 'It is'.</p> <p>We have included a laminated sheet on the formation of cursive letters and your child's name. These sheets are for you to keep at home. If you use white board pen the sheet can be used multiple times.</p>		<p>This week we have continued to explore number 5 and we looked at ordering numbers from 1 to 5.</p> <p>We watched Numberblocks 'Off we go,' where Numberblocks One to Five decide to go off on a big adventure. They set off in order, but sometimes become muddled or one of the Numberblocks goes missing!</p> <p>https://www.bbc.co.uk/iplayer/episode/b08cr0y7/numberblocks-series-1-off-we-go</p> <p>Here is a link for the children to continue to practise ordering numbers. https://www.topmarks.co.uk/ordering-and-sequencing/caterpillar-ordering</p>		<p>This week we have revised all the phonemes and tricky words we have learnt this half term. We completed our first assessment of the sounds they have learnt. They are doing very well but please continue to practise all sounds, HFW and Tricky words over the half term holidays. Please cut out all the HFW and tricky words and use them like flashcards with your child.</p>			
Personal and Social Development		Knowledge and understanding of the World		Physical Development		Exploring Art and Design	
<p>We have been working hard with following the school rules. We are enjoying our new routine and have settled in really well. There has been a lot to remember but our adults have been really proud of us.</p>		<p>This week we have been learning all about kings, queens and castles. We have learnt about castles in our local area and have found Dover and Leeds castle on google earth. We talked about the features of a castle and enjoyed thinking about the best ways to keep the enemies out!</p>		<p>We have been running, skipping, jumping and hopping. We found instructions in the outside area and used our phonics to read the words and do the correct actions. We read the words run, skip, hop and jump!</p>		<p>We have enjoyed creating junk model castles, adding battlements, arrow slits and turrets, and have explored how to make the drawbridge go up and down. We have also made woodland crowns using the natural materials we collected on our autumn walk.</p>
