

This is our new  
behaviour system in  
school.

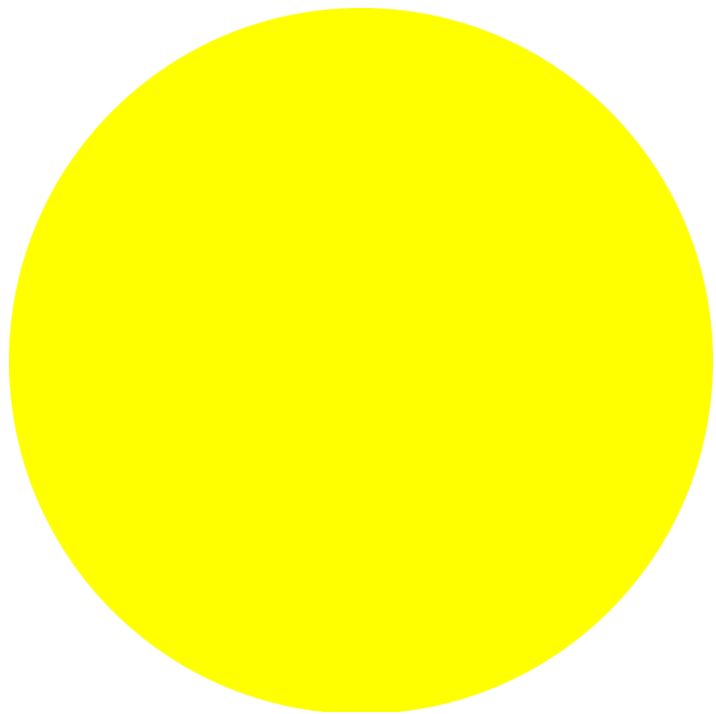

It is based on the  
traffic lights

It's great to be green!

Every session you will  
all start on the green  
traffic light.

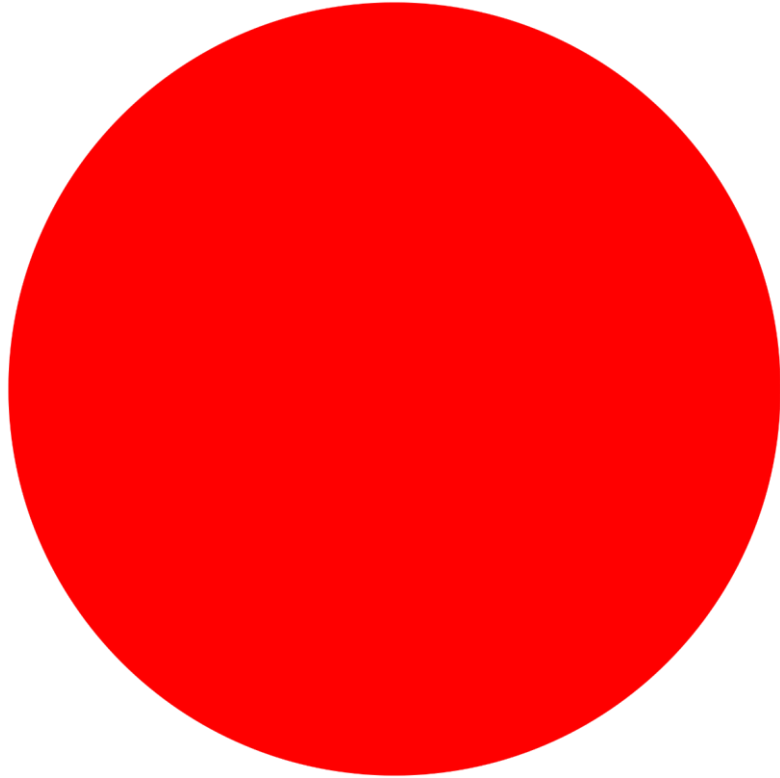

How long can you stay  
on green for?

If you fail to follow the rules you will get a warning and your name will go up on the board.

Failing to follow a second time means you move your name to amber.

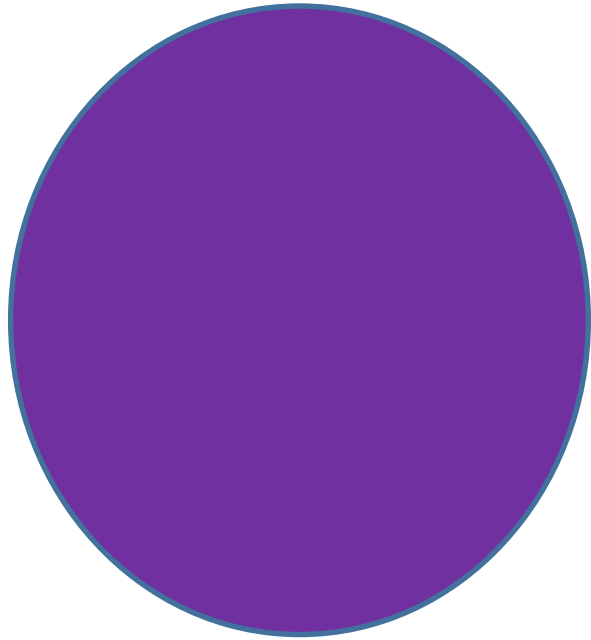

That's 5 minutes off your playtime!

If your behaviour continues  
once more, you will move  
straight to red.

This means ALL your playtime  
has gone and a teacher will  
speak to your parents.

I do not want to see anyone  
on red!

If you are violent or threatening to anyone or disrespectful to an adult you will go straight to purple.

This will entail you going to see Mrs Pang or a member of the SLT/SMT and your parents will be informed.

Do not end up here! You will not go back to Green until the next day!
