

FABULOUS FOOD AT SCHOOL

We are delighted to have been chosen as the school's new catering provider. Independent Catering will provide a freshly made lunch in your school kitchen using locally grown produce from the UK.

Complementing the 4 choices of main meal and vegetables your child can supplement their lunch with a freshly prepared salad from the salad bar and a choice of 4 desserts.

Lunch is free for all pupils in reception and KS1.

Independent Catering has built a great reputation for delivering the best quality, freshly prepared, and seasonally influenced, truly locally sourced menus. Our hot meals are authentic and not from a jar or packet. Salads, bread, and desserts are produced each day using the very best fresh ingredients.

Our commitment to using the best that the UK can offer lies at the very heart of our approach to great food all of which contributes to a social dining experience for the children.

We look forward to seeing you after the Easter break.
